

STL PARTNERSHIP

Accountant

THE ORGANIZATION

Our mission is to lead in the development and growth of long-term diversified business and employment opportunities by creating innovative solutions that generate increased wealth and enhanced quality of life for the citizens, businesses and institutions of the St. Louis region.

The St. Louis Economic Development Partnership (formerly St. Louis County Economic Council) marks a new era of collaboration within St. Louis by aligning regional efforts in business development, business finance, entrepreneurial support and international trade services.

Today, the Economic Development Partnership provides a broader range of services than most agencies of its kind, boosting innovation and entrepreneurship, attracting and retaining companies, increasing the region's international reach, and revitalizing municipalities, the partnership has become a key facilitator of regional growth for businesses and communities throughout the St. Louis Metropolitan area.

Accredited Economic Development Organization

St. Louis Economic Development Partnership is proud to have earned the distinguished title, Accredited Economic Development Organization (AEDO) from the International Economic Development Council (IEDC). The accreditation signifies the professional excellence of economic development entities throughout North America.

THE POSITION

Responsible for preparation of work papers, schedules, exhibits, and summaries based on analysis of general ledger accounts. Examines a variety of accounting documents to verify accuracy of computations and to ascertain that all transactions are properly supported, are in accordance with pertinent policies and procedures, and are classified and recorded according to governmental accounting standards. Responsible for review and accuracy of cash receipts and disbursements transactions – including payroll. Provides support for accounting functions to certain programmatic divisions.

Essential Functions:

- Prepares monthly, quarterly and annual work papers; to include reconciliations and analysis of general ledger accounts that provide the work papers for the annual financial statements and interim reports.
- Prepares year-end journal entries, including salary and PTO accruals, in preparation for upcoming audit.
- Prepares monthly journal entries for several entities.
- Ensures financial transactions comply with organizational policies and procedures, in addition to federal and state policies and procedures.
- Review disbursement transactions, payroll and invoices, prior to entry into accounting system.

- Prepares cash/check deposits and related accounting entries.
- Prepares cash disbursements.
- Performs data entry into the accounting system.

Marginal Job Duties and Responsibilities:

- Performs various other duties and functions as required or assigned within area of expertise or scope of the position.

THE NEED
