

Terry Toland – Bio

Terence “Terry” Toland is a Principal with (consulting firm) Kearney’s dedicated think tank and foresight unit, the Global Business Policy Council. He specializes in strategic foresight, scenario planning, and thought leadership and is the co-author of the Council’s Global Economic Outlook, FDI Confidence Index, and Global Wildcards reports.

Before joining Kearney, he was a research associate in the Europe Program at the Center for Strategic and International Studies and had previously served as a researcher at the British House of Commons as well as at the German Marshall Fund office in Berlin.

Terry holds a bachelor’s degree in international relations from Clark University and a master’s degree in international relations and international economics from the Johns Hopkins School of Advanced International Studies (SAIS).
